	7500

Total 62325

The States General, on the Battel of *Blenheim*, presented a Bank-Bill of 50000*l.* besides Presents from *Germany* and *Flanders*, from Officers and others for Employments, and the Profits on Exchange of Money.

The Estate of *Woodstock* is not reckon'd, because it cannot be yet known what the Cost to build and furnish a Palace there, has been.

The Emperor gave one Year to the Value of 50000*l.* besides what was presented by the King of *Prussia*, the Elector of *Hannover*, and other Courts.

No Safeguards, Bread, Money, &c. is here reckon'd, those Mat-
ters being now under Examination.

Printed in the Year MDCCXII.
